INDEPENDENT AUDITOR'S REPORT

To

The Members of

Sadbhav Udaipur Highway Limited

(Formerly known as Sadbhav Udaipur Highway Private Limited)

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Sadbhav Udaipur Highway Limited (Formerly known as Sadbhav Udaipur Highway Private Limited)** ("the Company"), which comprise the balance sheet as at 31st March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information other than Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

The Board's Report is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Board's Report, if we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Manubhai & Shah LLP
Chartered Accountants

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, we report that the Company has not paid remuneration to directors during the year.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company did not have any pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

- iv.
- (a) The Management has represented that, to the best of its knowledge and, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend in the year and hence reporting requirement for compliance with Section 123 of the Act is not applicable.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Annexure 'A' to the Independent Auditor's Report of Even Date on the Financial Statements of Sadbhav Udaipur Highway Limited (Formerly known as Sadbhav Udaipur Highway Private Limited)

(Referred to in paragraph 1(g) under "Report on Other legal and Regulatory Requirements" section of our report the member of Sadbhav Udaipur Highway Limited (Formerly known as Sadbhav Udaipur Highway Private Limited) of even date)

Report on the Internal Financial Controls with reference to financial statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of Sadbhav Udaipur Highway Limited (Formerly known as Sadbhav Udaipur Highway Private Limited) ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

The Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control with reference to financial statements includes those policies and procedures that;

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE - B

TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report the members of Sadbhav Udaipur Highway Limited of even date)

Report on the Companies (Auditor' Report) Order, 2020, issued in terms of section 143 (11) of the Companies Act, 2013('the Act') of Sadbhav Udaipur Highway Limited ('the Company')

To the best of our information and according to the explanations provided to us by the Company and the books of accounts and records examined by us in the normal course of audit, we state that:

- (i) The Company does not have any property, plant and equipment and intangible assets. Hence reporting under clause 3(i) of the Order is not applicable.
- (ii) (a)The Company does not have any inventory during and at the year ended March 31, 2023. Hence the reporting requirements of paragraph 3(ii)(a) of the Order is not applicable.
(b)During any point of time of the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks or financial institutions on the basis of security of current assets. Hence the reporting requirements of paragraph 3(ii)(b) of the Order are not applicable.
- (iii) The Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties during the year. Hence, the reporting requirements of paragraph 3 (iii) of the Order is not applicable.
- (iv) The Company has not given loans, made investments or provided guarantees or security, attracting the provisions of sections 185 and 186 of the Act. Hence the reporting requirements of paragraph 3(iv) of the Order are not applicable.
- (v) The Company has not accepted any deposits or deemed deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the order are not applicable and hence not commented upon.

(vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained by the Company.

(vii) (a) The Company is regular in depositing the undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues, as applicable, with appropriate authorities except that Tax deducted at source was not regularly deposited during the year.

According to information and explanation given to us, no undisputed amount payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues were in arrears as at March 31, 2023 for a period of more than six months from the date they became payable except interest on tax deducted at source amounting to INR 3.19 Million.

(b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of dispute on March 31, 2023 .

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) (a) The Company has defaulted in repayment of loans and in the payment of interest thereon to any lenders, the details of which are given hereunder:

Nature of Borrowing	Name of Lender	Amount not paid on due date (INR in Million)	Whether principal or interest	Period of Delay**	Remarks
Long Term Borrowings	Bank of India	19.47	Interest	0-30	
		11.28	Interest	31-60	
		1.20	Interest	61-90	
		3.38	Interest	Unpaid*	
		27.50	Principal	61-90	
		20.46	Principal	Unpaid*	
	HDFC Bank Limited	45.19	Interest	0-30	
		43.52	Interest	31-60	
		34.60	Interest	61-90	
		8.57	Interest	Unpaid*	
		41.80	Principal	61-90	

Nature of Borrowing	Name of Lender	Amount not paid on due date (INR in Million)	Whether principal or interest	Period of Delay**	Remarks	
Long Term Borrowings	Punjab and Sindh Bank	38.29	Principal	Unpaid*		
		4.65	Interest	0-30		
		31.59	Interest	31-60		
	Tata Cleantech Limited	Punjab and Sindh Bank	25.91	Interest	61-90	
			14.52	Interest	Unpaid*	
			19.73	Principal	61-90	
		Tata Cleantech Limited	22.53	Principal	Unpaid*	
			27.65	Interest	0-30	
			25.75	Interest	31-60	
			0.29	Interest	61-90	
			7.15	Interest	Unpaid*	
			27.50	Principal	61-90	
28.84	Principal	Unpaid*				

*Considering the no. of instances of delay, the particulars of the delay are given in terms of period.

* Unpaid till the date of audit report.

(b) The Company has not been declared willful defaulter by any bank or financial institution or other lenders.

(c) The term loans obtained by the Company has been applied for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, have not been used during the year for long-term purposes by the Company.

(e) The Company does not have subsidiaries, associates or joint ventures. Hence the reporting requirements of paragraph 3(ix)(e) of the Order are not applicable.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies and hence the reporting requirements of paragraph 3(ix)(f) of the Order are not applicable.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer during the year. Hence the reporting requirements of paragraph 3(x)(a) of the order are not applicable.

(b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Hence the reporting requirements of paragraph 3(x)(b) of the order are not applicable.

Manubhai & Shah LLP
Chartered Accountants

(xi) (a) No material fraud on or by the Company has been noticed or reported during the year nor have we been informed of any such case by the Management.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.

(c) As represented by the management, there were no whistle blower complaints received by the Company during the year.

(xii) In our opinion the Company is not a Nidhi Company. Therefore, the reporting requirement of Clause 3(xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanation given to us and on the basis of our examination of the records of the Company, all the transactions with related parties are in compliance with Sections 177 and 188 of the Act where applicable and also the details which have been disclosed in the financial statements are in accordance with the applicable Indian Accounting Standards.

(xiv) (a) The internal audit system of the Company needs to be strengthened so as to make it commensurate with the size and nature of the business.

(b) We have not considered the reports of the internal auditors for the year under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the reporting requirement of paragraph 3(xv) of the Order is not applicable to the Company.

(xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934, Hence reporting requirement of paragraph 3(xvi) (a), (b) (c) & (d) of the Order are not applicable to the Company.

(xvii) The Company has incurred cash losses amounting to INR 376.18 Million in the financial year but had not incurred cash losses in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

Sadbhav Udaipur Highway Limited
Notes to Financial statement for the year ended March 31, 2023

1. Company information:

Sadbhav Udaipur Highway Limited (Formerly known as Sadbhav Udaipur Highway Private Limited) ("the Company") is a Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. It is wholly owned subsidiary of Sadbhav Infrastructure Project Limited.

The Company was incorporated as a Special Purpose Vehicle (SPV) in May, 2017, to augment the existing road from km 118.500 of NH-76 to km 287.400 of NH-8 (approximately 23.883 km) in the state of Rajasthan by Six-Laning thereof on Design, Built, Operate and Transfer ("DBOT Annuity" or "Hybrid Annuity") basis. The Company has entered into Concession Agreement with National Highways Authority of India (NHAI) in which NHAI grants to the Company exclusive right, license and authority to construct, operate and maintain the project during the Construction Period of 730 days and Operation Period of 15 years commencing from Commercial Operation Date (COD). The Company received the Provisional Completion Certificate (PCOD) date with effect from 31.07.2020 for the completed length of 18.718 kms.

The financial statements were authorized for issue in accordance with a resolution of the directors on May 26, 2023.

2. Basis of preparation and presentation of financial statement:

(a.) Compliance with IND AS:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and relevant amendment rules issued thereafter.

The Company has applied the applicable standards and/or amendments to existing standards effective from April 1, 2022 in the preparation and presentation of financial statements for the year ending on March 31, 2023.

Most of the amendments did not have any impact on the amounts recognized in prior periods and are not expected to significantly affect the current or future periods.

(b.) Basis of Presentation:

The Balance Sheet, the Statement of Profit and Loss and Statement of Changes in Equity are prepared and presented in the format prescribed in Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

The financial statements are presented in INR, which is the functional currency and all values are rounded to the nearest million (INR 10,00,000), except when otherwise indicated.

(c.) Basis of Measurement:

The financial statements have been prepared on historical cost basis, except for certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

3. Summary of significant accounting policies

The following are the significant accounting policies applied by the Company in preparing its financial statements:

Sadbhav Udaipur Highway Limited
Notes to Financial statement for the year ended March 31, 2023

3.1 Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current/non-current classification. An asset is current when it is:

- expected to be realised or intended to be sold or consumed in the normal operating cycle;
- expected to be realised within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- it is expected to be settled in the normal operating cycle;
- it is due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle

The operating cycle is the time between the acquisition of the assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

3.2 Revenue Recognition

a. Revenue from Operations

The Company applies Ind AS 115 using cumulative catch-up transition method. The Company recognize revenue from contracts with customers when it satisfies a performance obligation by transferring promised goods or service to a customer. The revenue is recognised to the extent of transaction price allocated to the performance obligation satisfied.

The Company earns revenue from construction, operation and maintenance, other related services and interest from financial asset.

(i) Construction services

Revenue from construction services is recognised over a period as the customer simultaneously receives and consumes the benefits provided by the Company and measure revenue based on input method i.e. revenue recognised on the basis of cost incurred to satisfaction of a performance obligation relative to the total expected cost to the satisfaction of that performance obligation. If the outcome of a performance obligation satisfied over time cannot be reasonably measured, revenue is calculated using the zero-profit method in the amount of the contract costs incurred and probably recoverable.

Contract Balances

Contract Assets

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

Contract Liabilities

A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related goods or services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods or services to the customer).

(ii) Construction, operation and maintenance and other related services:

Revenue is recognised upon transfer of control of promised services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those goods or services.

For construction, operation and maintenance and other related services, the performance obligation is satisfied over time. For determining performance obligation of services; the Company uses output method for measurement of revenue.

Revenue is measured based on the transaction price which is the consideration, as specified in contract with the customer. Revenue excludes taxes collected from the customers.

(iii) Interest from financial asset:

Interest income is recognised using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through expected life of the financial asset to the gross carrying amount of the financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

b. Gain/loss on Mutual fund

Gain or Loss on sale of mutual fund is recorded on transfer of title from the Company, and is determined as the difference between the sale price and carrying value of mutual fund and other incidental expenses.

c. Others

Insurance and other claims are recognized as revenue on certainty of receipt on prudent basis.

3.3 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur. Borrowing cost consist of interest and other costs that Company incurs in connection with the borrowing of funds. Investment income earned on temporary investment of specific borrowing pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

3.4 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of building (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office building that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial Assets

i. Initial recognition and measurement of financial assets

All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e. the date that the Company commits to purchase or sell the asset.

ii. Subsequent measurement of financial assets

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial assets at amortized cost
- Financial assets at fair value through other comprehensive income (FVTOCI)
- Financial assets at fair value through profit or loss (FVTPL)

- **Financial assets at amortized cost:**

A financial asset is measured at amortized cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

- **Debt instruments at amortized cost**

A 'debt instrument' is measured at the amortized cost if both the above conditions mentioned in "Financial assets at amortized cost" are met. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising

impairment are recognized in the profit or loss.

- **Financial assets at fair value through other comprehensive income:**

A financial asset is measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding. Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

- **Financial assets at fair value through profit or loss:**

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortized cost or as FVTOCI is classified as at FVTPL.

iii. De-recognition of financial assets

A financial asset is de-recognized when the contractual rights to the cash flows from the financial asset expire or the Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

iv. Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets. Expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

b) Financial Liabilities

i. Initial recognition and measurement of financial liabilities

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Sadbhav Udaipur Highway Limited

Notes to Financial statement for the year ended March 31, 2023

All financial liabilities are recognised initially at fair value. All financial liabilities are recognised initially at fair value and, in the case of loan and borrowings and payable, net of directly attributable transaction costs.

ii. Subsequent measurement of financial liabilities

For purposes of subsequent measurement, financial liabilities are classified in two categories:

- Financial liabilities at fair value through profit or loss
- Financial liabilities at amortized cost (loans and borrowings)

• Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses on changes in fair value of such liability are recognized in the statement of profit or loss.

• Financial liabilities at amortised cost (Loans and Borrowings)

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

iii. Derecognition of financial liabilities

A financial liability (or a part of a financial liability) is derecognized from its balance sheet when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

c) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if the Company currently has enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement assumes that the transaction to sell the asset or transfer the liability takes place

Sadbhav Udaipur Highway Limited
Notes to Financial statement for the year ended March 31, 2023

either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market price in active markets for identical assets or liabilities
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable on yearly basis.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are

Sadbhav Udaipur Highway Limited
Notes to Financial statement for the year ended March 31, 2023

given in the relevant notes.

- Significant accounting judgements, estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Financial instruments (including those carried at amortized cost)

3.7 Income tax

Income tax expense comprises current tax and deferred tax.

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with Income tax 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current income taxes are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is provided using the balance sheet approach. Deferred tax is recognized on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences excepts when the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognized for all deductible temporary differences, carry forward of unused tax losses and carry forward of unused tax credits to the extent that it is probable that taxable profit will be available against which those temporary differences, losses and tax credit can be utilized excepts when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on the tax rules and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, where Company has a legally enforceable right to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sadbhav Udaipur Highway Limited
Notes to Financial statement for the year ended March 31, 2023

3.8 Provisions

General

Provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contractual obligation to restore the infrastructure to a specified level of serviceability

The Company has contractual obligations to maintain the road to a specified level of serviceability or restore the road to a specified condition before it is handed over to the grantor of the Concession Agreements. Such obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. The timing and amount of such cost are estimated and determined by estimated cash flows, expected to be incurred in the year of overlay. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to such obligation. The unwinding of the discount is expensed as incurred and recognised in the statement of profit and loss as a finance cost. The estimated future costs of such obligation are reviewed annually and adjusted as appropriate.

3.9 Contingent liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Claim against the Company not acknowledged as debt are disclosed under contingent liabilities. Claim made by the Company are recognized as and when the same is approved by the respective authorities with whom the claim is lodged.

A Contingent asset is not recognized in financial statements, however, the same is disclosed wherever an inflow of economic benefit is probable.

3.10 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

3.11 Earnings per share

Basic EPS is calculated by dividing the profit / loss for the year attributable to ordinary equity holders by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by dividing the profit / loss attributable to ordinary equity holders by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on conversion of all the dilutive potential ordinary shares into ordinary shares.

3.12 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

4. A.) Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make estimates, judgments and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the accompanying disclosure, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(i) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(ii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(iii) Taxes

Deferred tax assets are recognized for unused tax credits to the extent that it is probable that taxable profit will be available against which the credits can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Sadbhav Udaipur Highway Limited
Notes to Financial statement for the year ended March 31, 2023

B.) Recent Accounting Pronouncements

The Ministry of Corporate Affairs ("MCA") through a notification of March 31, 2023, introduced the Companies (Indian Accounting Standards) Amendment Rules, 2023 to amend the Companies (Indian Accounting Standards) Rules, 2015 which come into force with effect from April 1, 2023. The following are the amendments:

1. Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the financial statements.

2. Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statements.

3. Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its financial statement.

* Includes the effect of transaction cost paid to lenders on upfront basis

(i) Nature of Security:

A The details of security in respect of term loans are as under:

- 1 First mortgage and charge on all the Company's immovable properties, both present and future, save and except the Project Assets;
- 2 First charge on all the Company's tangible moveable assets, including moveable plant and machinery, machinery spares, tools and accessories, furniture, fixtures, vehicles and all other movable assets, both present and future, save and except the Project Assets;
- 3 First charge over all accounts of the Company including the Escrow Account and the Sub-Accounts (or any account in substitution thereof) that may be opened in accordance with Common Rupee Loan Agreement and the Supplementary Escrow Agreement, or any other Project Documents including but not limited to DSR and MMR and all funds from time to time deposited therein, including those arising out of realisation of Receivable and all Permitted Investments or other securities representing all amounts credited thereto.
- 4 First charge on all intangibles assets of the Company including but not limited to goodwill, rights, undertakings and uncalled capital present and future excluding the Project Assets .
- 5 First charge on assignment by way of security in:
 - all the right, title, interest, benefits, claims and demands whatsoever of the Company in the Project Documents;
 - the right, title and interest of the Company in, to and under all the Clearances;
 - all the right, title, interest, benefits, claims and demands whatsoever of the Company in any letter of credit, guarantee including contractor guarantees and liquidated damages and performance bond provided by any party to the Project Documents;
 - all the right, title, interest, benefits, claims and demands whatsoever of the Company under all Insurance Contracts.
- 6 Pledge of 51% (fifty one percent) of the paid up and voting equity share capital of the Company as held by Sadbhav Infrastructure Project Limited, up to final settlement date.
- 7 The aforesaid mortgages, charges, assignments and guarantees and the pledge of equity shares as stipulated in paragraph 6 above shall in all respects rank pari-passu inter-se amongst the lenders in accordance with the concession agreement, without any preference or priority to one over the other or others.

B GECL Facility (Emergency Credit Line Guarantee Scheme)

The GECL facility is secured by 100% credit guarantee from National Credit Guarantee Trustee Company Limited (NCGTC) in addition to second charge on security mentioned in point (i)

(ii) Terms of Repayment:

A Indian Rupee Term Loans from Bank:

The Principal amounts of the Loan is repayable to the lenders in 28 half yearly structured instalments, commencing from the May 31, 2021 on the last day of each half year in the amounts equivalent to the percentage of the total amount of loan as per the amortisation schedule in the loan agreement. Term loans carry interest at bank base rate plus 110 basis point as spread i.e. 9.25% to 11.80% per annum as on March 31, 2023.

As per the provision of CLA, after the PCOD, the Company has to create Debt Service Reserve Account (DSRA) and keep the balance of 6 Months Interest and amount equal to two installments of Principal in DSRA. Accordingly amount of INR 96.61 million was lying deposited on March 31, 2023.

During the year there was delay in receipt of annuity amount from NHAI which was due in the month of February 2023. As a result of this the Company could not make the repayment of installment of principal amount of INR 110.71 millions payable in the month of March 2023. Further the Company could not make the payment of interest of INR 50.51 millions due upto March 31, 2023.

Revenue from contract with customers

18.1 Disaggregated revenue information

Having regard to the nature of contract with customer, there is only one type of category of revenue. Hence disclosure of disaggregation of revenue is not required.

18.2 Trade receivables and contract balances

The Company classifies the right to consideration in exchange for deliverables as either receivable or unbilled revenue. A receivable is a right to consideration that is unconditional upon passage of time. Revenue for such services are recognised as related services are performed. Revenue in excess of billings is recorded as unbilled revenue and is classified as financial asset for those cases as right to consideration is unconditional as passage of time. Invoicing to the customer is based on milestones as defined in the contract.

18.3 The transaction price allocated to the remaining performance obligations (unsatisfied or partially unsatisfied) as at 31 March 2023 are, as follows:

The aggregate value of performance obligations that are completely or partially unsatisfied as at March 31, 2023 is INR 1,430.59 million (March 31, 2022 INR 1,807.51 Millions). Out of this the Company expect to recognise revenue around INR 678.94 million in next year (March 31, 2022 INR 1,075.97 Million). Remaining performance obligation estimates are subject to change and affected by several factors including terminations, change of scope of contracts, occurrence of same is expected to be remote.

18.4 Reconciliation of the amount of revenue recognised in the statement of profit and loss with contract price is not given as there is no adjustment made with respect to contract price.

(II) Fair value disclosures for financial assets and financial liabilities

Set out below is a comparison, by class, of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

- a. The management assessed that the fair values of cash and cash equivalents, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
- b. The carrying value of Company's interest - bearing borrowings are reasonable approximations of fair values as the borrowing carry floating interest rate.

The following method and assumption were used to estimate the fair values:

- i) Investments in units of Mutual Funds which are not traded in active market is determined using closing NAV.

(III) Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities:

Quantitative disclosures fair value measurement hierarchy for financial assets as at March 31, 2023 and March 31, 2022

(INR in Million)

Assets measured at fair value Fair value through profit & loss	Note No.	Fair value measurement using Significant observable inputs (Level 2)	
		March 31, 2023	March 31, 2022
Investment in Mutual fund	8	-	-

There have been no transfers between level 1 and level 2 during the years.

Sadbhav Udaipur Highway Limited
(Formerly known as Sadbhav Udaipur Highway Private Limited)
Notes to Financial Statements for the year ended on March 31, 2023

31 Financial Risk Management

Financial instruments risk management objectives and policies

- (i) The Company's principal financial liabilities comprise borrowings and trade & other payables. The main purpose of these financial liabilities is to finance the Company's operations and to support its operations. The Company's principal financial assets include receivables from NHAI under Concession Arrangements and cash and bank balance that derive directly from its operations.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. Risk management systems are reviewed periodically to reflect changes in market conditions and the Company's activities. The Board of Directors oversee compliance with the Company's risk management policies and procedures, and reviews the risk management framework.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include borrowings, investments, other receivables, trade and other payables and derivative financial instruments.

Within the various methodologies to analyse and manage risk, Company has implemented a system based on "sensitivity analysis" on symmetric basis. This tool enables the risk managers to identify the risk position of the entities. Sensitivity analysis provides an approximate quantification of the exposure in the event that certain specified parameters were to be met under a specific set of assumptions. The risk estimates provided here assume:

- a parallel shift of 25-basis points of the interest rate yield curves in all currencies.

The potential economic impact, due to these assumptions, is based on the occurrence of adverse / inverse market conditions and reflects estimated changes resulting from the sensitivity analysis. Actual results that are included in the Statement of profit & loss may differ materially from these estimates due to actual developments in the global financial markets.

The following assumption has been made in calculating the sensitivity analysis:

- The sensitivity of the relevant statement of profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2023.

Interest Rate Risk

Interest rate risk arises from the sensitivity of financial assets and liabilities to changes in market rates of interest.

The Company's exposure to interest rate risk due to variable interest rate borrowings is as follows:

Particulars	(INR in Millions)	
	31.03.2023	31.03.2022
Variable rate borrowings	4,242.24	4,157.02

Interest Rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Interest Rate Risk Analysis	(INR in Million)	
	Impact on profit/ loss after tax	
	31.03.2023	31.03.2022
Interest rate increase by 25 basis point	(10.61)	(10.39)
Interest rate decrease by 25 basis point	10.61	10.39

(b) Credit Risk

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is not exposed to credit risk from its operating activities as the company will receive annuity fees from National Highway Authority of India as per terms of Concession Arrangements and does not have any outstanding receivables. However, The Company is exposed to credit risk related to financing activities, including temporary investment in mutual fund and other financial instruments.

(c) Liquidity Risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys cash management system. It maintains adequate sources of financing including debt at an optimised cost.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

As at March 31, 2023		(INR in Million)				
Carrying Amount	On Demand	up to 1 year	1 - 2 years	2 - 5 years	> 5 years	
Non Derivative Financial Liability

Non Derivative Financial Liability						
Secured Borrowings*	4,157.02	-	232.82	245.95	819.84	2,858.41
Trade Payables	447.16	-	447.16	-	-	-
Current Financial Liabilities	39.25	-	39.25	-	-	-

*Current maturity of non-current borrowings is included and unamortised transaction cost paid to lenders on upfront basis is excluded.

Sadbhav Udaipur Highway Limited
(Formerly known as Sadbhav Udaipur Highway Private Limited)
Notes to Financial Statements for the year ended on March 31, 2023

32 Disclosure pursuant to Appendix - E to Ind AS 115 - " Service Concession Arrangements"

(I) Description and classification of the arrangement

The Company has entered into Concession Agreement ('CA') with National Highway Authority of India (NHAI) dated June 06, 2017 for the purpose of augmenting the existing road from km 118.500 of NH-76 to existing km 287.400 of NH-8 (approximately 23.883 km) on the Kishangarh-Udaipur-Ahmedabad section in the state of Rajasthan by Six-Laning thereof on Design, Built, Operate and Transfer ("DBOT Annuity" or "Hybrid Annuity") basis. As per the CA, NHAI grants to the Company exclusive right, license and authority to construct, operate and maintain the project during the Construction period of 730 days and Operation year of 15 years commencing from COD. The company received the PCOD date with effect from 31/07/2020 for the completed length of 18.718 kms.

(II) Significant Terms of the Arrangements

(a) Bid Project Cost:-

The cost of the construction of the project which is due and payable by NHAI as on the Bid date is considered as the bid project cost under the concession agreement. The bid project cost has been finalised as INR 8910.00 Million as at the bid date. Bid project cost is inclusive of the cost of construction, interest during construction, working capital, physical contingencies and all other costs, expenses and charges for and in respect of the construction of the project.

(b) Adjusted Bid Project Cost

The Bid Project cost adjusted to variation between the Price Index occurring between the Reference Index Date preceding the Bid Date and the Reference Index Date immediately preceding the Appointed Date shall be deemed to be the Bid Project Cost at commencement of construction.

(c) Payment of Bid Project Cost:-

40% of the Bid Project Cost, adjusted for the Price Index Multiple, shall be due and payable to the Company in 5 equal instalments of 8% each during the Construction year in accordance with the provisions of Clause 23.4 of the SCA.

The remaining Bid Project Cost, adjusted for the Price Index Multiple, shall be due and payable in 30 biannual instalments commencing from the 180th day of COD in accordance with the provision of Clause 23.6 of the SCA.

Interest shall be due and payable on the reducing balance of Completion Cost at an interest rate equal to the applicable Bank Rate plus 3%. Such interest shall be due and payable biannually along with each instalment specified in Clause 23.6.3 of SCA.

(d) Bonus on early completion:-

The SCA also provides for the payment of Bonus to the Company in the event the COD is achieved on or more than 30 days prior to the schedule completion date. The schedule completion date of the construction is 30/11/2019.

(e) Operation & Maintenance Payments:-

All Operation and Maintenance expenditure shall be borne by the concessionaire. However, as provided in SCA, the Company shall be entitled to received lump sum financial support in the form of biannual payments by the NHAI, which shall be computed on the amount quoted in the O&M bid. Each instalment of O&M payment shall be the product of the amount determined in accordance with the terms of the SCA and the price index multiple on the reference index date preceding the due date of payment thereof.

(f) Escrow Account:-

In terms of the SCA, the Company shall enter into an Escrow Agreement, substantially in the form set forth in schedule 'O' of the SCA, with NHAI, Escrow bank and senior lenders and shall establish Escrow Account with the Escrow bank. The company also require to deposit and made withdrawals as described in the Escrow Agreement. Accordingly, the company has entered into an Escrow agreement with the HDFC Bank Ltd and NHAI.

(g) Termination of the SCA:-

SCA can be terminated on account of default of the Company or NHAI in the circumstances as specified under Article 37 of the SCA.

(h) Restriction on assignment and charges:-

In terms of the SCA the Company shall not assign, transfer or dispose of all or any rights and benefits under SCA or create any encumbrances thereto except with prior consent of NHAI.

(i) Changes in SCA:-

There has been no change in the concession arrangement during the year.

(j) Force Majeure Event:-

As per the Concession Agreement; the Concessionaire, in case any force majeure event occurs before COD, is eligible to get the extension of time for a period equal in length to the duration for which the force majeure event subsist. Refer note no. 34 in relation to extension of concession agreement due to Covid-19 pandemic.

(III) Below is the details of revenue and profit recognised in the year ended March 31, 2023 on exchange of construction services.

The Company has recognised construction revenue of INR 355.77 million (March 31, 2022: INR 329.12 million) received from NHAI towards contract revenue. The Company recognised profit/(loss) of INR (56.35) million (March 31, 2022: INR (37.00) million) from construction operation.

Sadbhav Udaipur Highway Limited
(Formerly known as Sadbhav Udaipur Highway Private Limited)
Notes to Financial Statements for the year ended on March 31, 2023

33 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium, Other equity in form of Subordinate Debt of the Company and short term unsecured loans for short fall in cash flow.

The Company's objective for capital management is to maximize shareholder value and safeguard business continuity.

The Company determines the capital requirement based on annual operating plans and other strategic plans. The funding requirements are met through equity share capital, equity in form of subordinate debt and operating cash flows generated.

The sponsor (SIPL) has also enter into Sponsor Support Agreement to support the Company for capital requirement in case of cost over run and short fall in cash flow.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders, issue new shares or obtain additional sub-ordinate debts. The Company monitors capital using debit equity ratio which does not exceed 4:1, which is total Borrowings divided by total equity excluding balance of deficit in statement of profit & loss.

Summary of Quantitative Data is given hereunder:

Particulars	(INR in Million)	
	March 31, 2023	March 31, 2022
Secured Borrowings	4,242.24	4,157.02
Total Debt - A	4,242.24	4,157.02
Equity Share Capital	269.66	269.66
Other Equity	1,375.82	1,261.71
Total Equity - B	1,645.48	1,531.37
Debt to Equity Ratio - (A/B)	2.58	2.71

34 There is delay in achievement of schedule completion date of the project being executed by the Company due to various reasons namely delay in approval of change of scope works, delay in approval of design of some components of work and also delay in receipt of payment from authority. Consequently the Company could not make timely repayment of dues to its lenders. However the Company has applied to authority for condonation of delay. The Company had already completed about 97 percent of the project work up to the month of March 2023. In the meantime NHAI had got the balance project work executed under its supervision through appointment of sub contractors who were already working on the project.

Since it is expected that the project will be completed by July 2023, the management is confident that the amount of annuity will be received as per the terms of Concession Agreement so as to enable the Company to meet its obligation of repayment of dues to lenders and hence no material uncertainty in respect of going concern exists thereof.
