

Congress workers were camping on the 15 metre Town Planning Scheme Road near Dwarakesh Park in Raiya area of the city since early morning. When civic body officers reached the spot to demolish 26 unauthorised structures, the MLA and his supporters sat on dharna, demanding that the families who stand to lose their houses in the drive should be given alternative housing facilities by the civic body.

Rajyaguru said that 73 families who had lost their homes during a similar drive in Raiyadhar area a few months ago had also not been given alternative housing facilities. The RMC officers managed to convince the MLA that once the encroachment was removed, families affected by the two demolition drives would be given houses.
